And go to the District Shared Government guide for more information as well.

- c. Working on having a parent from the Glendale Area involved in SCC. Erin Taylor to contact. (Subsequent to the meeting, discussed by email—Dr. Sagers to personally invite parents, George Henry to give Melissa Ford names of parents of student senate and Melissa will call to personally invite)

- d. Question: Where was the Land Trust Money spent from 2013-2014?

EXP Program – Hardware all computers purchased.

Dr Sager explained the EXP Program- “Innovations within our School Walls” and Melissa told of her personal experience with a student. (Very Positive)

2. Bev Simpson

- a. SIP/Land Trust update

- b. Trust Lands Funding Proposal for 2015-2016 – Review handout given

Use of funds: 1- FTE to pay a teacher with Reading credentials to teach a full schedule of 9th grade Reading/LA9 courses. Class size will be limited to 15 students each.

this will help students increase their levels

All 9th grade class to be tested in the 8th grade

Rationale: At a time when the Common Core assessments require that our students read

Challenging and grade appropriate materials, we need to provide extra support and Remediation for students who are reading below grade level.

Benefits: Students enrolled in the course will receive direct and targeted reading instruction aimed at bringing them up to a grade level. This will improve their chances for achieving competency across the curriculum since the ability to read well impacts all courses.

(This is a proposal brought to SCC by the administration. Parent members were asked to think about this proposal and any other ideas they may have to bring to next SCC meetings for discussion.)

c. School LAND Trust fall requirements: DUE October 20, 2014. Please review handout and get back to us.

d. Accreditation- surveys need to be filled out
