

# HELLO NEIGHBORS OF EAST HIGH

At East High we are committed to helping each student reach their full potential.

Through generous community donations and partnerships, we provide a very popular food pantry and a fantastic washroom with private and safe shower and laundry facilities, both are open daily. We also have a wonderful clothing boutique, loaded with necessities for all weather conditions and special occasions. These services are free for all EHS students. When students have their basic needs met, they are capable and empowered to succeed in school and in life!
