It takes a village. We have all heard this phrase countless times, but when it comes to giving East High’s students the best education possible with the best academic options and supports, the best extracurricular opportunities, and the best memories-in-the-making as students work their way toward bright futures, the administration and staff of EHS could not be more grateful for the many community and family supports that make this all possible. Thank you to our School Community Council for seeing the valuable use of Land Trust monies that make several programs and supports at our school possible, including: a full-time reading teacher, bringing greater literacy to our most vulnerable students; technology resources and mobile laptop labs for greater integration of technology into curriculum; and funding for teacher professional development, helping teachers hone their craft and bring the best practices back to students in their classrooms.

Thank you to the PTA for the countless activities, time, energy, and efforts that help our students experience the most fun parts of high school. Thank you to Kris Barta and the many community businesses and services that help our students day in and day out with everything from a fully functioning food pantry (Smith’s Food and Drug), to a $5 Prom (Grandeur Peak Funds), to annual physicals for athletes (Dr. Andrew Florence). This small sampling, we know, doesn’t even skim the surface of organizations, businesses, and individuals contributing to East, making it the best high school experience students could hope for. Thank you to the parents and families and support networks that ensure their students get here each day, ready to learn and progress. We know it takes sacrifice and priceless time and resources and energy. We know you do far more, worry far more, give up far more than is ever noted.

Our students are our greatest investment in the future. That might sound hyperbolic, but it is absolutely true—our students will become the community that surrounds us soon enough. There are so many people, so many organizations, and so many families and parents who help us do what we do here at East High. Thank you for believing in our kids. Thank you for believing in East. Thank you for investing so much of yourselves into the future. We see what you do. We notice. We cannot tell you enough how you make all the difference.

TESTING

UTAH ASPIRE PLUS

End of year testing starts this month! 9th and 10th grade students will take the Aspire ACT Plus (Aspire for short), which takes the place of SAGE. In addition to measuring student progress on the Utah Core Standards, Aspire will help students better prepare to take the ACT in 11th grade. Aspire is a timed test and has four sections that align with the ACT subject areas: Reading (90 minutes), Math (90 minutes) English (45 minutes), and Science (60 minutes). In order to accommodate the Math and Reading tests, which will take longer than our usual 90 minute periods, we will have a modified bell schedule on April 30th, May 1st, May 2nd and May 3rd.
10th Grade CCR’s (College and Career Ready)

During the month of March and April, we will hold our 10th Grade CCR’s (formerly SEOP’s). All 10th Graders will receive in the mail a letter with the time and date of your appointment. Please plan on 30 minutes for your appointment.

ACT

**ATTENTION ALL JUNIORS:** Applications for admission to the University of Utah will be due on November 1, 2019 (not December 1 anymore) and will go through the Common Application. This affects any of you who want to apply to the U of U NOW because that means you only have TWO more ACT tests available (June 8 and September 14) in order to have your test scores in time for the new application deadline.

Remember ACT registration deadlines are approximately 4 to 5 weeks before the test date:
**June 8 ACT test registration deadline is May 3, 2019**
**September 14 ACT test registration deadline is August 16**

Please see [ACT.org](http://ACT.org) for test dates and registration information or feel free to contact your school counselor.
GOT SCHOLARSHIPS?

If your student has received scholarship offers, even if you don't plan on using them, please report them to Alisa Kearl, Scholarship Advisor, in the Counseling Center. We need to keep an accurate report of all scholarships and awards given for all grades. This report goes to the district to show what an awesome school we are and how brilliant our student body is. We will celebrate your accomplishments at an event later in the year, and they will be listed on the graduation program. This includes all athletic, leadership, service, diversity, academic, private, and college scholarships as well as essay, math and science contests etc.

Your effort is much appreciated as self reporting is often our only means of discovery.

Scholarship reporting forms can be found on the East webpage on the Counseling Center link and also on Alisa Kearl's office door.

The AVID Class of 2019 is 100% admitted to college! AVID began at East in 2007 with just 14 students. Our first graduating class was in 2011! Since its beginning, we have had 100% high school completion and graduation! Over the past 8 years, students have earned over $10 million in scholarships and grants. The AVID Class of 2019 celebrates four full tuition scholarships to the University of Utah, 1 National Dell Scholar and over $725,000 in scholarships so far! All 48 are going to college, 9 have been admitted to the U of U Honors College and all will be the first in their families to attend college.
ATHLETICS

BOYS BASKETBALL

East High Boys Basketball had an outstanding season and took it as far as the State 5A Semi-finals at Weber State University! Taylor Zwick was named to the Deseret News 5A All-tournament team. Awesome, Taylor!

Other honors:
Taylor also played in the All-State game with select 5A seniors against 6A seniors on Saturday, March 22 at Olympus High School.

Zach Moore was named Academic All-State for his perfect 4.0. Way to go, Zach - that was a lot of hard work!

HEY LEOPARDS! We hope everyone has had a good spring break and is having a good 4th term so far! Spring sports and preparation for graduation, AP tests and the end of the year are at full force!

We first want to thank everyone who came, helped, sponsored or even encouraged students to go to our 2019 PROM! We had the BEST time and we are so grateful for all the students that attended and especially our corporate sponsor, Grandeur Peak Funding, as well as all the Junior Class Officers that organized everything! That was a night to remember!

We also recently had our second Spirit Burst of the year! In this school-wide assembly in the gym, we honored all Winter Sports, the incoming Student Body Officers for the 2019-2020 school year, any student who earned perfect attendance or a 4.0 during third term, and some of our amazing seniors that have earned notable scholarships the past few months. We were beyond excited to introduce our Spring Sports Captains from Men’s Soccer, Girl’s Golf, Track and Field, Men’s Tennis, Boy’s and Girl’s Rugby, Boy’s and Girl’s Lacrosse, Softball, and Baseball! A lot going on in the spring!

ATTENTION SENIORS or ANY PARENTS OF A SENIOR! This spring we have A LOT going on for our graduating class of 2019 and we want to get these dates out to everyone as soon as possible! Please plan on participating and attending these events if you are an EHS Senior that is graduating in a few short weeks! To everyone else, your senior spring will be just as fun we promise! Help us send out our seniors with honor!

• Wednesday, April 17—Senior Panoramic Picture @ 8 AM
• Saturday, May 18—Senior Dance @ Rice Eccles Stadium
• Thursday, May 30—Senior Awards Night @ 7PM East High Auditorium (invite only)
• Friday, May 31—Backyard Barbeque (Starting a new tradition for a casual dinner and hangout for all seniors, location is at the Harrison home)
• Monday, June 3—Senior Assembly and our last Spirit Burst of the year
• Monday, June 3—Yearbook STOMP @ EHS (to pick up yearbooks)
• Tuesday, June 4—Graduation Practice for ALL SENIORS, a TENTATIVE Graduation Breakfast following practice
• Wednesday, June 5—Graduation @ 1 PM Huntsman Center
• Wednesday, June 5—GRAD NIGHT PARTY, 10 PM to 1 AM, All Star Bowling & Entertainment (Tickets will be available for all graduating seniors very soon! This is a very fun celebration for the senior class. Transportation, food and unlimited bowling, arcade, laser tag, mini golf, bumper cars and ice cream will be available!)

That’s it for April! Thank you for all the support and participation, East High Community! We have loved being your Student Government leaders this school year and are looking forward to such a fun spring! Contact any student officer or Bonnie O’Brien for any questions or concerns about the upcoming schedule. Have a great month Leopards!!

HELLO! There have been so many awesome things happening at school and with PTA! We are having a great time working with our amazing students and PTA volunteers. Our biggest news is that we are currently doing our fundraiser. Please look at easthighschoolptsa.com and share with your family, friends, and neighbors.

This is our ONLY fundraiser for the year, we are not selling anything- only asking for donations. QUICK, EASY, DONE!! This link is super quick, secure and easy to use! This money is very carefully spent, and benefits everyone at EAST. http://easthighschoolptsa.com/

Your donations will go towards:
• student planned activities that promote unity at our school safe graduation night party
• student “MESS” busses to away games or school activities and dances
• teacher appreciation meals
• brown bag lunches
• clothing boutique
• supporting individual clubs and teams with things like a team dinner or props for the play
• reflections contest
• freshman fair
• homecoming week activities
• student and teacher awards
• service projects
• and much more!!!

Our school relies on these PTA sponsored projects. We rely on YOU to fund them! Please share this link! Go EAST!
