Our ambitions must be broad enough to include the aspirations and needs of others, for their sakes and for our own."*

-Cesar Chavez

As the Salt Lake City School District and the Salt Lake Education Foundation commemorate the life of social justice activist César Chávez, we would like to honor the life and accomplishments of Robert "Archie" Archuleta, a former educator and leader in our community.

CÉSAR CHÁVEZ SECONDARY ESSAY CONTEST: Students in grades 7-12 are invited to submit an essay responding to the following writing prompt: How do you live your life to achieve social justice for all? What do you believe is necessary to advance social justice for your community?

Please research the life and accomplishments of Archie Archuleta and César Chávez as you interpret this year's quote and theme.
